

Canadian Services Coalition

Member Benefits

- Briefings with federal and international government officials on trade issues in priority geographic areas such as: North America, Asia-Pacific, European Union, China, Pacific Alliance, and Mercosur.
- Focused federal-level advocacy to advance trade and investment policies that support the international footprint of the Canadian services sector through a range of measures.
- Connection into the Global Services Coalition to help facilitate advocacy efforts internationally, including at the World Trade Organization.

Membership Levels

Full Member

\$7,500

Full participation in policy setting and attendance at briefings, as well as approval over policy submissions and a vote on the annual work plan.

Associate Member

\$3,000

Full participation in policy setting and attendance at briefings.

Expert Advisor

\$1,500

Specifically for those looking to provide expert trade law advice into the CSC's work. Membership in this category includes full access to briefings and input into submissions. Ability to join and remain in this category is up to the discretion of the Chamber staff.

Association Tier

\$1,000

Open to the Canadian Chamber association members. This tier offers full participation in policy setting and attendance at briefings.
