"Our Chamber was approached by other HR firms in the past and we were wary of them as they seemed extremely aggressive and focused on sales rather than adding value to our Chamber members. HR Covered arrived with a different approach, providing a full library of resources available to any of our members. They also recognize it takes time -- and demonstration of value - to earn the trust of our members. They have also been helpful with our Chamber directly (we're a client ourselves) as we develop our own employee contracts and policies in our rather unique workplace."

– **Norah Fountain, Executive Director,**
Muskoka Lakes Chamber of Commerce

"In our ever evolving quest to build our membership benefits the free document library was a wonderful add for the businesses we represent. I have also had the privilege of working with the HR Covered team on an HR issue and they were friendly, knowledgeable, and efficient."

– **Brock Aldersley, CEO,**
Centre Wellington Chamber of Commerce

"As the Executive Director of a small but vibrant Chamber of Commerce in Northeast Saskatchewan... I was sold on what HR Covered offers."

– **Cal Gratton, Executive Director,**
Melfort Trade Alliance Chamber of Commerce

"The HR Covered offerings provide helpful information for small business and non-profits... 5 Stars!"

– **Tracey Clarke, Executive Director,**
Comox Valley Chamber of Commerce
